* Cummins Special

COVID-19 (CORONA VIRUS) UPDATE

At Lincoln Rural we are committed to the health and wellbeing of our staff, our customers, and the broader community.

With the aggressive Coronavirus COVID-19 striking at a particularly busy time of year for Australian agriculture, we are actively monitoring the situation and adjusting operations to the current conditions.

Rest assured that business continuity plans are in place to protect all staff, while we continue to work hard to best ensure our services are delivered to areas where it is required

Our staff have been briefed on new procedures, which include some adjusted workplace practices, social distancing, work-from-home and travel limitation policies, and we may adjust these policies as time goes on. We thank you for your understanding as we all work through this difficult time together.

We wish you all safety and health as you manage your family and business throughout the current challenges. If our team can help you or your business in any way during this Covid-19 pandemic, please don't hesitate to contact us.

TRADING HOURS

Please note that our trading hours have changed for our Port Lincoln Store. Our new trading hours are as follows:

Monday– Friday 8:30am-5:30pm

Saturday 8:30am-11.30am

Closed Public Holidays

Our Cummins store hours have not changed.

DRIVE THRU SERVICE

Lincoln Rural is providing a Drive Thru Service for our customers at both our Port Lincoln and Cummins stores.

- Please phone ahead and speak to our friendly staff about the goods you require.
- We will then package them for you.
- When you are in our driveway, please call again so we can deliver your package to your car.
- EFTPOS facilities are available over the

NEW STAFF

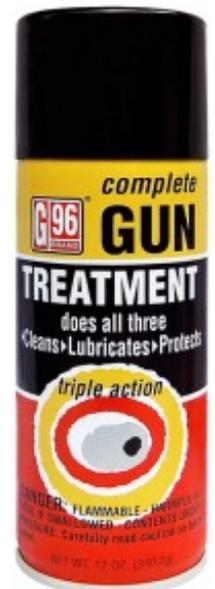

Welcome to Ellie Forbes, who started with us at the end of February. Ellie has joined our administration team in our Port Lincoln Store as our receptionist. She will be happy to serve you in our Boot Room for any footwear needs. Ellie is a Port Lincoln local who has previously worked in both retail and

G96 “TRIPLE ACTION” GUN TREATMENT

This is the product that we use in house, being a perfect companion for the cleaning bench that

- 1) **Cleans Your Gun:** Contains solvents which will completely remove all traces of rust, gun powder, leading, and corrosion in seconds.
- 2) **Lubricates Your Gun:** Contains lubricants which will not freeze, oxidize, or evaporate (the result of missile research). Leaves no gummy residue. Keeps firing pin and all moving parts working as low as -45.5°C below zero; insures perfect firing every time.
- 3) **Protects Your Gun:** Leaves invisible magnetic film over all metal parts which protects your gun against rust under all weather conditions, even salt water spray. Protects frequently handled guns against “fingerprint” damage. This is the single and best gun care maintenance product ever designed to solve a gun owner’s cleaning, lubricating and corrosion protection problems. A unique formulation of active lubricants will not freeze, oxidize or evaporate. Designed with a pleasant odour, this gun treatment is assured perfect firing from 45.5°C below zero to 176.6°C .
- 4) **Safe for use on polymers.**
